Auditions commence with an orientation meeting of all of the candidates at 8:30 am. Auditions are open to the public.

Judges

Judges for the Auxiliary unit auditions for the Kilgore College Band will be three to five twirling teachers from the East Texas area. The actual number of candidates selected for Feature Twirler, Majorette, & Drum Major is determined at the sole discretion of the judges based on their professional evaluation of the strength and number of candidates. The decision of the judges at the audition is final and absolute.

**showmanship *control of baton *variety *speed *tricks *accuracy*

Majorettes

Candidates for Drum Major should exhibit outstanding ability as a collegiate level Drum Major based on the following criteria:

**majorette audition routine (where applicable) * whistle commands*

**posture and presence *command and control of the baton *showmanship *rhythm/conducting*

Eligibility for Tryouts

It is recommended that candidates trying out for the twirling line, feature twirler, and/or Drum Major be in good standing with their High School Band Program. In the event that the candidate was not enrolled in band for all four years of high school, an explanation of why the candidate was not involved in the band program for all four years of high school should be included with the tryout packet. The candidate may provide a letter of qualification verifying their enrollment and status. Please attach this letter to your candidate information form. If a candidate is a returning member of the **KC Twirling Line**, this information will not be necessary. Returning members will only need to fill out the first two pages in the audition packet.

Attire

Attire for auditions for the **KC Twirling Line** should be a **solid color (color of your choice) top** with no words or designs, **black** tights, Capri dance pants, shorts, skirt or skort and comfortable and appropriate shoes for a gym floor. Tennis shoes or jazz shoes of any color are acceptable. Candidates for Feature Twirler or Drum Major may elect to wear a special costume, however, please note that simple dancewear is preferable.

Batons and Knives

KC Twirlers are required to use **ABC batons** for all practices and performances. All **KC Twirlers** will also need to provide their own knives during the fall semester. Knives will need to be ordered from Kraskin's Baton Company. Information about ordering knives can be found at www.kctwirlers.com and will also be given out on the day of tryouts.

Band Membership

Auxiliary unit personnel of the Kilgore College "Ranger" Band are not required to play an instrument in the band.

Scholarships Available

All KC Twirlers will receive a \$300 scholarship from the KC Band for the fall semester. Scholarships are traditionally given to all members of the KC Twirling line from the Once...Always Alumni organization during the spring semester. The amount of the scholarship given by the alumni organization has been around \$250 or \$300 in the past few years. The amount given in scholarships depends on the profits available from the twirling clinic in February, Tops in Twirling Camp in July and any other fund raisers held earlier in the year. All freshmen are eligible for the fall scholarship. After a student has completed a full semester of college, a GPA of 2.5 must be maintained in order to remain eligible for the scholarship the following semester. Returning sophomores must have a GPA of 2.5 or higher to be eligible for the scholarship awarded by the band during fall semester. Students must also be enrolled for 12 or more hours to be eligible for the scholarship. Scholarships are very difficult to promise ahead of time. Many factors can change once the tryout packet is published. Every effort to assist twirlers will be made by the Ranger Band and Once...Always Alumni Association.

Rehearsals

The Kilgore College "Ranger" Band rehearses on Monday through Friday during the collegiate term. MWF rehearsals are from noon until 1:00 PM. T/Th rehearsals are from 12:30 PM until 2:00 PM. Additionally, **KC Twirlers** are required to sign up for a fitness class on MWF afternoons from 1:00 PM - 2:00 PM. **KC Twirlers** will receive credit for PE or an elective class. This class is designed to give **KC Twirlers** a scheduled time to do three of the additional workouts for the week and still get college credit for a class. Hopefully a good grade in this class can help to improve each girl's GPA. **KC Twirlers** are required to attend all rehearsals unless illness or family emergency prohibits. Work conflicts are not considered excusable. A student should always call 983-8272 prior to any rehearsal which will be necessarily missed and inform the director of bands and drum major of the impending absence. Any twirler who misses practice with an unexcused absence or is late to that practice will need to give an oral apology to other members of the line at the conclusion of practice. Any additional unexcused absences will result in a \$5.00 fine for each unexcused absence. Missing a performance or parade will be addressed as needed. Absences and arriving late will also be considered when grades are given at the end of the semester. Chronic absenteeism for any reason will result in dismissal from the line.

Attire

KC Twirlers will wear appropriate dancewear at all practices. Some of the practice clothes will be purchased with money paid as deposit on day of tryouts. Additional practice clothes may be needed and twirlers will be responsible for the additional cost.

KCT Trainer

A professional fitness trainer will be provided for both semesters for all **KC Twirlers** at no cost to the twirler. This is a great opportunity provided by our Once...Always alumni organization. The goal for the KCT Trainer is to teach lifelong habits that promote good nutrition, healthy eating habits and teach twirlers ways to keep their bodies strong and healthy for a lifetime. Hopefully they will learn healthy habits they can use now and in the future! **KC Twirlers** are expected to be in the best physical condition

possible. Twirlers are expected to do many demanding body movements and maintain a high level of endurance to meet the expectations of the demanding practice and performance schedule. Having line members in peak physical condition ensures fewer injuries and better overall health. Having a trainer available helps the KC Twirling line be as strong, healthy and graceful as possible. In the event of a missed and/or unexcused absence from a scheduled session with the trainer, the twirler is responsible for paying the alumni organization the fee for the services of the trainer for any and all missed sessions.

Fees

A onetime, non-refundable fee of **\$350.00** will be collected **on the day of the audition** from each contestant who is selected by the judges as a member of the **KC Twirlers**. Checks should be made out to **Kilgore College** or you may pay cash.

- The Kilgore College Band will provide the field uniform during marching season and a portion of the Revels costume in the spring. \$25 of the money you pay at tryouts will go to the band fund which supplies extras for the band students.
- The other \$325 will be used to purchase boots, tights, wind suit and some of the practice clothes worn during the year.
- Each **KC Twirler** is expected to provide all other necessary items—i.e. tan jazz shoes, practice clothes, practice boots, gloves, knives, etc.

Participation

*Selection as a member of the **KC Twirlers** allows the participant the privilege of practicing and performing with the **KC Twirlers** at the sole discretion of the Twirling Instructor and the Band Director. All members of the line may or may not be included in all routines or performances at any given time.*

Absences from practices for any reason may likely result in temporary suspension from the line. Chronic absenteeism will result in permanent suspension from the line.

All members of the **KC Twirlers** are expected to conduct themselves as ladies at all times. All members of the **KC Twirlers** are expected to be cordial and courteous to each other and to treat the Band Director, Twirling Instructor, and Drum Major with the highest respect which these positions deserve. Failure to exhibit these conducts will result in temporary or permanent suspension from the KC Twirlers at the sole discretion of the Twirling Instructor and the Band Director.

Each candidate for *KC Twirler* will sign a contract on the morning of auditions before learning the audition routine. Subsequently, each *KC Twirler* will be bound to the stated expectations until auditions of the following year.

See attached copy of contract /expectations.

This is a copy of the contract for you to keep, please do not return this to the college.

A copy of this contract will be provided the day of tryouts for you to sign.
